

SUMMER WORKSHOP IN MATHEMATICS

KERALA SCHOOL OF MATHEMATICS

A joint venture of DAE, Govt. of India
and KSCSTE, Govt. of Kerala

May 6 2024 - May 31 2024

The Summer Workshop in Mathematics is a 3 weeks intensive instructional school in Mathematics organized at Kerala School of Mathematics from May 6, 2024 to May 31, 2024. The workshop involves lectures on Analysis, Algebra and Linear Algebra. These lectures are augmented by problem solving sessions. This workshop is intended for highly motivated first year MSc students and final year BSc students. The lectures are given by experienced and well known mathematicians. Selected participants will be provided food and accommodation during the course of the program.

Eligibility

This workshop is targetted at third year undergraduate students in Mathematics and first year masters students in Mathematics.

Application Procedure

Fill out the application form at the following link:

<https://forms.gle/bxTdmxXKBUJTpdWg7>

Résumé, Marklist and one referee required.

Selection Process

The selection to the workshop will be based on your scores in your undergraduate degree, and on the recommendation letters of one of your teachers. Only those applications received through the online form mentioned below be considered for the Summer Workshop in Mathematics. Selected candidates will be informed through email.

Deadline

The last date for receiving applications is **April 24, 2024**.
