

SWIM@KSoM

KERALA SCHOOL OF MATHEMATICS
KANNUR UNIVERSITY

MAY 5 - MAY 30, 2025

SWIM@KSoM is an intensive instructional school in Mathematics planned from **May 5, 2025 to May 30, 2025**. The workshop combines rigorous lectures on Analysis, Algebra, and Linear Algebra with interactive problem-solving sessions. Designed for BSc students progressing into their third year, the program features instruction by renowned mathematicians in an immersive learning environment.

ELIGIBILITY

Open to second-year BSc Mathematics students demonstrating exceptional academic performance and mathematical aptitude.

APPLICATION PROCESS

Submit the online application including academic transcripts, personal statement, and professional references. Curated selection ensures optimal participant-instructor ratio for personalized attention.

SELECTION CRITERIA

Admissions are based on academic excellence, recommendation letters, and demonstrated mathematical potential. Successful candidates will receive confirmation via email communication.

DEADLINE

Applications must be submitted by **April 25, 2025**. Late submissions will not be considered.
